

Check-in at the Hotelomat-Eincheck-Automat

If there is no staff at the reception desk, you can use the Hotelomat-Check-in-Machine for Check-in.

1. After booking a room you will receive a confirmation email with a code and your reservation number.
2. Upon arrival you will find a self-service check-in terminal in the courtyard (see figure). Choose a language (e.g. English). Select "Check-in with reservation", then "with reservation number" (you can find your reservation number in the confirmation email).

The terminal is operated by touchscreen. The credit card machine for payment can be found on the right hand side of the terminal.

We accept VISA, MasterCard and Maestro (EC-Card). A signature field for the registration form can be found in front of the screen.

You will receive your room key and a receipt at the terminal.

3. Open the front door with your room key.

Please do not forget to take your credit card. Enjoy your stay!
